Kevin Donaldson, Associate Partner, IBM Strategy & Transformation
"The Smarter Supply Chain"

Kevin Donaldson is an Associate Partner in IBM's Strategy and Transformation practice. He has worked extensively in both the Automotive and Electronics' industries and has consulted in several others. He specializes in effective supply chain strategies and execution resulting in significant top and bottom line financial impact as well as customer service improvement and improved competitive positioning in the industry. Kevin focuses on identifying and quantifying supply chain improvements and assisting clients in transforming their operations, from suppliers to ultimate customer, to enable strategic change and competitive advantage. During his 25-year career, he has deployed thought leadership to develop, implement and deploy technology and the reengineering of business processes, to better meet customer requirements and reduce associated operating expenses.

Reservations will be accepted thru Friday, March 5.

All cancellations must be received 24 hours prior to the event to avoid charges.

Comments from the President

Well we have completed another successful annual seminar! Thank you to all of those that attended. Your comments and feedback have been reviewed by the board and will be taken into account for next years' seminar.

REMINDERS

For the 2009-2010 program year, your Board is also pleased to provide the opportunity for you to enjoy a 'Staycation'! For every meeting you attend, your name will be placed in a drawing at the May dinner meeting for a one night stay at Stoney Creek, along with a \$100 gift certificate to Bass Street Landing in Moline. You can increase your chances by also bringing along a guest/non-member, introducing them to the benefits of membership in ISM/NAPM-QC. Additionally, we will be awarding door prizes for those in attendance.
