Christopher L. Thompson

"The Current Credit Environment & Risk Considerations"

Commercial banking deals on a daily basis with risks associated throughout the entire supply chain. Whether you are a manufacturer, distributor or service provider, risk is something that you must strategically manage. Topics covered will touch on economics, banking trends and credit analysis theory. The benefits of this program to participants will be to provide decision making tools to help in supply chain risk management.

Christopher L. Thompson is the Quad Cities Market President for JPMorgan Chase Bank in Moline, IL. Mr. Thompson has over 26 years of finance and commercial banking experience, working within community, national and international banking organizations. He has earned degrees from Wabash College and Oxford University, as well as a Commercial Lending Degree from the University of Oklahoma. He is dedicated to managing credit and deposit portfolio risk, and positioning his clients to minimize risk.

Reservations will be accepted thru Friday, October 9.

All cancellations must be received 24 hours prior to the event to avoid charges.

Comments from the President

Well a great start to the program year last month, where we awarded scholarships to two outstanding local students, along with a great presentation by Dr. Ross Reck. We continue this month with a timely presentation on credit and it's risk considerations. We'll be having a board meeting right before the dinner meeting this month and everyone is invited to sit in and provide feedback/new ideas. Look forward to seeing everyone!

For the 2009-2010 program year, your Board is also pleased to provide the opportunity for you to enjoy a 'Staycation'! For every meeting you attend, your name will be placed in a drawing at the May dinner meeting for a one night stay at Stoney Creek, along with a \$100 gift certificate to Bass Street Landing in Moline. You can increase your chances by also bringing along a guest/non-member, introducing them to the benefits of membership in ISM/NAPM-QC. Additionally, we will be awarding door prizes for those in attendance.

Want to learn more about the new CPSM certification... visit the ISM web site:
